WHAT IS YAG?

Students in grades 9-12 gain hands-on knowledge of our state government by meeting as a school or YMCA delegation throughout the year to discuss and debate issues that affect citizens of our state and to propose legislation. Learn how to write, present, and debate your own piece of legislation at the annual YAG Conference at the State Capitol. Students will develop their innovative thinking and leadership skills, learn more about how the state government operates, and meet other students who are interested in Oregon politics.
