

OREGON YMCAs COVID-19 STATEWIDE IMPACT

"Open to Serve" to meet the needs of our communities

OUR Ys ARE SO MUCH MORE THAN POOLS AND GYMS.

YMCAs across Oregon are staying "Open to Serve" to meet the needs of their communities during the COVID-19 crisis. Thanks to the generosity of many members and supporters, YMCAs across Oregon repurposed facilities and redeployed Y staff to support community needs during the Coronavirus crisis.
